

Adirondack Architectural Heritage (AARCH) Awards Nomination Form

The AARCH Awards program annually recognizes exemplary historic preservation work throughout the Adirondack Park. We seek examples of sensitive restoration, rehabilitation, and demonstrated long-term stewardship. Help us spread the word about the good work going on in our region by nominating a project from your community. We welcome nominations throughout the year. AARCH Awards will be presented at our AARCH Stewardship Awards Luncheon held each year in September.

Instructions: Complete the nomination form. Attach a brief narrative supporting your nomination. Be sure to include a description of the property or project, the names of key persons involved, any historical background known about the property, and the sources of funding used for the project. Include at least two photographs, before and after restoration if applicable.

Send the completed nomination form with supporting materials to: AARCH Awards, Adirondack Architectural Heritage, 1790 Main Street, Suite 37, Keeseville, NY 12944.
